

NATO Allied Command Transformation Trident Juncture 2018 (TRJE18)

Fact Sheet – Allied Joint Doctrine Validation

TRJE18 Mission:	TRJE18 provides an environment for existing or new capabilities to be tested, refined, and further developed. By coordinating and integrating experiments from NATO entities and Nations into TRJE18, we seek to allow the best experimental results without placing exercise objectives at risk. Allied Command Transformation Operational Experimentation has assigned a TRJE18 Venue Coordinator since the number of TRJE18 experiments now exceeds 20 activities, ranging from discovery to validation.
Experiment Description:	<p>This experiment will validate Allied Joint Publication 3.15, Allied Joint Doctrine for Countering Improvised Explosive Devices and Allied Joint Publication 4, Allied Joint Doctrine for Logistics.</p> <p>The aim of this experiment is to validate the doctrine according to the Allied Joint Doctrine Campaign Plan.</p>
The TRJE18 Opportunity:	TRJE18 offers a platform to observe, evaluate and validate the doctrine to ensure that it is relevant and workable.
