

NATO Allied Command Transformation International CD&E Conference

Fact Sheet – 2019 CD&E Exchange

- Event Overview:** The 2019 International CD&E Conference will take place in Madrid, Spain, on 29 through 31 October 2019. This event aims to promote a collaborative approach to concept and capability development, and share the knowledge and experience garnered from 29 Nations' expertise. The three-day conference includes keynote speakers, plenary sessions, workshops and the CD&E Exchange, a mini-expo. Workshop topics will discuss challenges in the disrupted security environment, exploration of new concepts in autonomy, artificial intelligence, big data, future warfare and technologies, disruptive thinking and alternative problem formulation techniques.
- CD&E Exchange:** Adopting the format of a mini-expo, the CD&E Exchange aims to provide an informal environment where conference attendees can network, exchange ideas, and showcase current and future CD&E work.
